**Our objective is to work for the upliftment of the underprivileged rural communities through providing Education, Healthcare, and various livelihood project and skills training for the women, youth and farmers. At the heart of Grace's work is The Friendship Academy which serves as a model schools for our work. We believe school can be the center of social change, and our curriculum, pedagogy, culture and space works to foster love, critical thinking, and social consciousness. Fueled by our leanings from The Friendship Academy,. In our livelihood work, we work to empower and skill SHGs and youth to live a life of prosperity and have diversified livelihood sources with less risk of significant loss during disaster.**

#### **Brief history**

**The Bright Future Living school is situated at very remote village called Habung, where there are no proper communication and transportation system. This area consist of around 64 villages with a population over more than 78000. There are many communities living together in Ha bung Such as Mishing, Adibasi, Ahom, nepali, bihari etc.**

**The Bright Future Living school was started in the year 2021 Sep. The founder principal is Mr. Plutu Pegu and the school was founded in demand of local communities and villagers. In this area there is no such english medium school to provides quality education so we have started the school with the vision to provides quality, holistic and value based education to the needy, poor, and unprivileged children's in very minimal fees.**

**In the year 2024 March we have changed the school name from Bright future living school to Friendship schools for the better functioning of the schools.**

**The objective of the school is transforming lives through holistic development and value based education to the poor and unprivileged children in our communities.**

**Currently we have 185 students and 13 teaching and 2 non teaching staffs.**

**Sponsor partner:**

**The Sunbird Trust has been partnering with the Friendship Academy, Habung and Friendship Academy, Moridhal since March 2023 by giving the underprivileged children tuition fees sponsorship in both the school. Through the Sunbird sponsorship the parents of the sponsorship children are very happy and praising their work. It also benefited the schools to maintain the staffs salary and meet all others requirement for the smooth functioning of the schools.**

**The sunbird Trust also focusing on our school management development and providing training to the principal on school management. The sunbird team also visiting our schools and meeting with the SMC and parents as well with the teachers and encourage and motivate everyone to developed the schools. \**

**We are so much grateful all the Sunbird team for their commitment to do better for the future of these underprivileged children. On behalf of both the schools, parents and SMC once again thanks a lots and hoping for greater work in coming future.**

**Cultural programs:**

**We organized the cultural program in our school every year to lets the students performed their own cultural dance with their respective cultural costumes.**

### **Children day Celebration:**

**In every year we celebrate the Children day on 14 Nov. with the students in our school. We organized various programs for the children to make them so special and give them some gift so that children feel importance on that day.**

## Teacher Day Celebration

We celebrate Teachers Day on 5<sup>th</sup> Sep. every years to make our precious teachers so special for their handwork, commitment and dedication towards our children. On this day we keep so many programs to make our teachers special and gives gifts for what they have done for the students as well for the society
